					Fresh start to the New Year! Get caught up on ALL laundry - washed, dried, and put away.	Declutter/discard unused laundry baskets and hampers.
03	04	05	06	07	08	09
Dispose of unused or empty cleaning supplies.	Declutter shelves, cabinets in laundry room.	Organize remaining items - group by category (ironing, laundry supplies, house cleaning, etc.)	Add bins, boxes, extra shelving to keep supplies neat. Use the walls for storage - add baskets, shelves, hanging bins.	Clean inside washer (add 1/2 c. bleach to dispenser then run a cycle with hot water), wipe down outside, clean inside drawer of pedestal.	Wipe down outside of dryer, empty lint trap and wash it with hot soapy water to remove buildup.	Vacuum under and behind washer and dryer.

Create a stain removal/pretreat area.	Adding shelving above the washer and dryer is a great way to add more storage.	Add a rolling cart between the washer and dryer to store laundry and cleaning supplies.	Create a drying rack from a baby crib rail.	Keep a small laundry basket in laundry room for wet towels and muddy sports gear.	Add hooks to laundry room walls to hang supplies.	Refresh all those old towels and make them fluffy again! Here's how.
17	18	19	20	21	22	23
If washer and dryer are same height and front-load, add a board across the tops to create a folding & sorting space.	Have a laundry basket for each family member.	Clip a zippered lingerie bag to side of kids' laundry basket. Use bag for socks. No more sorting socks!	Invest in divided laundry baskets to sort items by color for easier loads.	Put pictures of clothing items on dresser drawers to help non-reader kids put their own clothes away.	Dress up the laundry room with a cheery or calming paint color.	Add decorative pictures or decals to walls to make it more fun to do laundry.
24	25	26	27	28	29	30
Add a fun DIY single sock holder to wall	Add a small container to hold the items that come out of pockets. Make sure there is a small garbage can in laundry room, too.	Clean baseboards, window sills and ceiling corners of lint, dust, and cobwebs.	Sweep and clean laundry room floor. Wash laundry room floor rugs and curtains	Attach a paper towel holder to wall for easy spill cleanups.	Create a mending area for ripped, torn, and damaged clothes	Take all donations to your various destinations today! Don't forget to get a donation form, fill it out with what you donated and put in your 2021 tax folder.
